

aWishwithWings

I am the grandmother of wish kid Rylen, and I can't begin to tell you how much being a part of a Wish with Wings has meant to our entire family. Not only did we get to spend an incredible week making lasting memories with our granddaughter, we have met some of the most incredible ladies I have ever known. And what is amazing is the magic doesn't stop with just one wish trip. Rylen has been included in the wish family trip to the Fort Worth Zoo, the Christmas party, and she was the Belle of the Ball at the Margarita Ball which raises money for Fort Worth Children's Charities. It's the most amazing feeling to have these women care about your family the way they do. We could never repay them for all they have done for us. The experience has been truly amazing. We love them!! And are so happy we got to

become part of this growing family. Thanks so much making her wish come true! Rylen sends all her love!!!!

- Rylen's Nana

2019 WISH FAMILY EVENTS

Ice Cream Wishes Social

Our first ever ice cream social at Fort Worth Fire Station 2 was a huge hit! Gypsy Scoops provided the ice cream and our friendly firefighters hosted our families to fun water activities that kept everyone cool.

Pancakes with the Easter Bunny

This spring we had a visit from the Easter Bunny! Our bunny even brought a lot of different goodies for every wish kid and sibling to build their own Easter basket. Our friends at Prim Construction prepared and served an amazing pancake breakfast.

Wish Family Day at the Ballpark

Our Wish families enjoyed one last special, sunny outing to Globe Life Park to cheer on the Texas Rangers. With tickets donated by the Texas Rangers, a family-style picnic lunch hosted by the Pantego Lions Club, and custom t-shirts for all, our Wish families experienced an exciting afternoon of baseball and fun! We look forward to creating new memories in the new ballpark.

Go Wild Day at Fort Worth Zoo

This Fall, a Wish with Wings partnered with Ronald McDonald House Fort Worth to treat families to an outing at the Fort Worth Zoo sponsored by The Sportsmen's Club of Fort Worth. It was a great day that included a picnic and interactive educational show. Of course, each child got zoo bucks to purchase a special souvenir.

Holiday Party at Del Frisco's Double Eagle

Our most popular event of the year is the annual Holiday Party hosted by Del Frisco's Double Eagle Steakhouse in Fort Worth. Families enjoyed a festive lunch, complete with gifts for all the kids. Santa arrived via Fort Worth Fire Department on board a fire engine to help welcome our Wish Families and ring in the holidays in style! Mayor Price read a story to the kids, and much to their delight, it snowed inside the restaurant!

***In Loving Memory

Ellie, McCrae and Rylen along with 26 more of our Wish Kids, enjoyed Wish trips to Disney World, where each family enjoyed a magical week at Give Kids the World. While there, they visited all four Disney Parks, Universal Studios and SeaWorld.

Ellie is a precious seven-year-old girl who was born with a Laryngeal cleft. This past December, Ellie's Disney World Wish came true! Her magical week included a royal princess makeover for Ellie and her two sisters at Bibbidi Bobbidi Boutique and a trip to the Wizarding World of Harry Potter at Universal Studios. In the words of Ellie's parents, "We have never seen Ellie so happy and light. We cannot express how wonderful this Wish trip was for our family, it was healing, uplifting and gave us hope".

McCrae and his family enjoyed a magical holiday week at Give Kids the World Village, while taking in Universal Studios and all four Disney Parks. It was a fun filled week filled with all of McCrae's favorites. They started their trip with a visit to Universal Studios to visit the Grinch where they had breakfast with him and afterwards watched the Grinchmas show. Of course, McCrae's Wish trip would not be complete without a stop at Toy Story Land to visit his all time favorite, Woody!

Kennadi was diagnosed with a tumor as a teenager. Her father worked as security for the Oncology floor and never did he think his own child would be admitted to that same unit. When Kennadi was referred to us, she was eighteen years old and had lots of ideas for her Wish. She ultimately decided on a Wish trip to Maui! Just a few weeks before their trip, Kennadi and her sister were in a serious car wreck and therefore we postponed their trip until further notice. This past March, Kennadi and her family finally were off to Maui for one amazing week. Everyone enjoyed a traditional, oceanfront luau at the Royal Lahaina Resort and a helicopter tour along the west side of the island. It was a week in paradise and something that Kennadi and her family will cherish for a lifetime.

Five-year-old **Rylen** was diagnosed with Leukemia in March of 2017. She has a giant heart for her friends, family and even her medical team. This past October, Rylen got to spend a magical and spooky time at all four Disney Parks, Universal Studios and Sea World. She also enjoyed everything that Give Kids the World Village has to offer the Wish families. On Halloween night, Rylen and her family attended "Mickey's Not so Scary Halloween Party". She dressed as one of her favorite characters, Vampirina. The true magic happened when Rylen received a private meet and greet with her all-time favorite character, Minnie Mouse! Rylen and Minnie had an amazing time coloring, jumping and just having fun. It was a moment that Rylen and her family will always treasure.

Noah is a happy, energetic, fun-loving eleven-year-old boy who loves playing baseball. He was born with a Congenital Diaphragmatic Hernia, which caused multiple life-threatening conditions, but he has beaten all the odds. His one true Wish was to meet the Saint Louis Cardinals and maybe even throw the ball around with them! Noah has been playing baseball since the doctors cleared him to play a non-contact sport and he is obsessed with the Cardinals. He knows every player's number and stats and, although he lives in Ranger nation, he is not afraid to voice his favorite team. On May 7th, Noah and the entire family arrived at Busch Stadium for an amazing behind the scenes experience. Noah was able to hang out in the dugout and watch all his favorite players in batting practice. Almost every player came up to say hi to Noah and make sure he was having a good time. Then he was invited out on the field with the players, where he got to put on a glove and practice with them. He was a little star struck to say the least! All in all, it was an amazing week for Noah.
